This matter is before the Court on Defendants Cherokee Gives Back Foundation, Thomas F. Darden II, Thomas F. Darden III, Slocum H. Fogleman III, Samuel W. Whitt, Maurice J. Coleman, and Latoya King's (collectively, "Defendants") Unopposed Motion for Leave to Designate Documents as Filed Under Seal (the "Motion"). For the reasons stated herein, pursuant to this Court's authority under Local Rule 79.2, the Court finds that the Motion should be granted.

DISCUSSION

A party may file a Motion to Seal with this Court pursuant to the requirements of Local Rule 79.2. Local Rule 79.2 references Section V.G. of the Electronic Case Filing Administrative Policies and Procedures Manual ("Policy Manual"). That Section requires that all motions to seal be accompanied by a supporting memorandum that specifies the following:

- (i) the exact document or item, or portions thereof, for which filing under seal is requested;
- (ii) how such request to seal overcomes the common law or the First Amendment presumption to access;
- (iii) the specific qualities of the material at issue which justify sealing such material, taking into account the balance of competing interests in access;
- (iv) the reasons why alternatives to sealing are inadequate; and
- (v) whether there is consent to the motion.

Section V.G., Policy Manual. The Policy Manual also requires that any proposed order accompanying a Motion to Seal set forth the findings required under Section V.G.

As set forth below, the Court determines that Defendants have met the requirements set forth in the Policy Manual, and that Plaintiff's Reply in Support of its Motion for Judgment on the Pleadings ("Plaintiff's Reply"), (D.E. 144), should be held under seal.

The Motion overcomes the common law and First Amendment presumptions to access because Plaintiff's Reply contains confidential, non-public, and sensitive business information. Specifically, the document contains information exchanged between the parties as part of a privately mediated settlement conference, including confidential requests for insurance coverage, which are all subject to a Confidentiality Agreement. It further summarizes the nature of the dispute that was subject to the mediation while describing confidential information protected by the same Confidentiality Agreement.

The material to be sealed is Plaintiff's Reply, (D.E. 144).

There is no alternative to sealing the document in question, as the document itself contains the information harmful to Defendants. However, the references to confidential information in Plaintiff's Reply are somewhat limited and therefore redaction is practical here. To allow access to the non-confidential information in Plaintiff's Reply, Plaintiff shall file an appropriately redacted version of that document that redacts all non-public information.

While Plaintiff does not consent to the recitation of any facts in Defendants' Motion, Plaintiff does not oppose the relief sought.

BASED UPON the foregoing, it is therefore ORDERED that Plaintiff's Reply shall be held under SEAL with this Court.

Accordingly, Defendants Cherokee Gives Back Foundation, Thomas F. Darden II, Thomas F. Darden III, Slocum H. Fogleman III, Samuel W. Whitt, Maurice J. Coleman, and Latoya King's Unopposed Motion for Leave to Designate Document(s) as Filed Under Seal is GRANTED, and it is hereby ORDERED that Plaintiff's Reply be held under seal. Plaintiff shall have ten (10) days to file a redacted version of Plaintiff's Reply.

SO ORDERED, this the 24th day of April, 2020.
